Enrollment based on IPEDS definitions. All enrollment data is based on primary program enrollment. Students may be enrolled in more than one graduate program (e.g. PhD and MS), but are only counted in their primary program. Doctoral programs are considered primary over masters level programs

¹ *In Fall 2015, MBA and Executive MBA programs were moved into a new career (BUSN) and were no longer counted within the Graduate career. Fall 2015 enrollments and applications include MBA students in the count except where noted for trend analysis.*

² *Other doctorates include all non-Ph.D. non-professional doctorate level degrees offered by the institution. This includes various education doctorates, doctorates in nursing practice and doctorates in design.*

³ *Non-degree seeking students enrolled in the INTO Masters Program Pathways*

⁴ *Does not include students applying or admitted to INTO Master's Program Pathways*

⁵ *Admits in Fall 2012 do not include those who were admitted but subsequently canceled their application. Fall 2013 and onward, they are included in admit count.*

⁶ *Assistantship information captured on 9/18/12, 9/4/13, and 9/30 in subsequent years. Total assistantships awarded are a unique headcount of students. Students may have split appointments, thus summing the types of assistantships will result in duplication of headcount. Staff Assistant-Institutional Work Study, Teaching Assistant-Federal Work Study, Staff Assistant-Federal Work Study, Teaching Assistant, Research Assistant, Project Assistant, Staff Assistant, Graduate Veterinary Assistant*

⁷ *Does not include students admitted in the INTO masters program pathways*

**FY 2017 degrees available Oct 1, 2017*
