Discussion Items

The committee discussed the need for a sufficient number of members to attend the next meeting so we can have quorum. Guest speakers from WSU- Spokane’s Nursing Program discussed new nursing courses, two of which are already being taught as special topics courses. One of the new proposed nursing classes provides statistics training to Nursing, Pharmacy, and Criminal Justice graduate students.

The next GSC meeting is scheduled for 3:00, Tuesday, March 2, 2010.
